

The Agents Association Foundation Charity Consideration Application

Farm Bureau agents long have been generous in giving to youth, those in need, and other worthy causes. The Agents Association is proud to provide an opportunity to give back to groups and causes that have a positive effect in those states where we serve. This foundation will serve to highlight the caring and generosity of the agents and employees of Farm Bureau. We hope you will find it worthy of your time and support. In the future, we hope to incorporate scholarship opportunities for agents completing professional designation courses.
